

Daigo Kotogakko.
Final Examination in English Literature.
Third year Special Students.

from delicacy
 the naturalness of industry & ability
 unrelenting acerbity
 the favourable anticipations
 in open nonconformity
 It scarcely requires mention.
 To be at the trouble of
 To require some approach to reciprocity
 the only course consistent with your dignity.
 To be sensitive about omissions
 the depreciation of money
 To stand on one's merits
 in the least
 immunity from disdain
 by claim to consideration
 he did me the favour of
 It turned out
 To confirm or invalidate Korean views
 I have in view.
 in the long run
 people belong for long to — stand to
 To dispose the mind
 To feel what ease
 a discipline in manners which nothing ever replaces.
 We have reason on our side.
 To swear at each other
 To use oaths & foul language
 not to speak of the acute forms of poverty
 by sheer force of determination
 to die its own natural death
 To strike the nice balance of social advantages

aristobleness
 illusion
 mellowed
 presumptory
 effervescence
 cardinal points of human ^{firmness}
 an irreparable breach
 identical
 conviction
 pretension
 unconscious flattery
 parsimonious
 rotaries
 difficult of access
 celibacy
 a good riddance
 deference
 momentum issue
 misinterpretation
 a shed of thatch
 useless encumbrances
 superfluities of high life
 the refinements of sense
 a table of precedence
