to Japanese. The difference of psychology.

algeria

o Daudet " Pratica 376 13中: telegram 7 376 13

" Piece played yesterday, great success, Rousseil + Timeraud.
Splendid!" (Kara queuz?) 22 + 7 Odéon = receive

73 1/2 11 + 1, 72 + 7 Paris = 72 7/8 9 1/2 22 1/2 13 1/2

Decidedly, the telegram did not hid, my little piece really
was a great success. During this time however, the
author, would gladly have been a hundred feet
under ground. The play that these good people were ap-
plauding, I now considered odiously bad. What
a failure! Was that my dream? ... Notwithstanding

the emotion, notwithstanding the applause, I felt an indescribable
sensations of shame + disgust. ... What a relief it was
when the curtain fell, + I could make my escape, skirting
the wall, with turned coat-collar, shame-faced +
sneaking as a thief. Three years in Paris
