

Nature

- { 1) Religion of Nature }
- { 2) Traditional religion }

England
Deism

- { a religion of nature }
- { traditional phraology }

Rousseau's nature - to do away with kings, nobles + priests
 - accumulated rubbish of obsolete institutions
 - natural state of society.
 - reason instead of tradition

English mind: reason + experience

Bentham, school, or the return to nature + 742 ~ 743 ~ 1811
 - an abandonment of all the old authoritative teaching, and of all philosophy, old or new + an attempt to make a fresh-start to knowledge based upon individual experience of the most tangible facts.
 Poetry - it parallel course
 Philosophy (22, 23, 24) experience + verification
 742 Pop, Cooper, Madewort, 3 processes, p 951

Revival

- 1) Ossian
- 2) Reliques
- 3) Walpole Castle of Otranto
- 4) Chatterton
- 5) Watson History
